

AGENDA ITEM #7
September 13, 2002

To: Delta Protection Commission

From: Karen Morais, Delta Protection Commission Staff

Subject: Legislation Update
(For Commission Information Only)

The Legislature adjourned their 2001/2002 Legislative Session September 1, 2002. The Delta Protection Commission tracked 50 bills of interest based on the Delta Protection Act; 15 bills died in the first year of the biennial session. Last month, approximately 1,210 bills were enrolled; the last day for the Governor to act on enrolled bills is September 30, 2002.

The DPC Legislative Committee, Commissioners Coglianesi, Cabaldon, and Shaffer, met throughout the Legislative Session. At the July 25th meeting, the Committee recommended to the Commission that DPC support five of the active bills the Commission had been tracking (supported bills indicated with *). Listed below are nine tracked enrolled bills, five of which DPC actively supported. Full text available at www.leginfo.ca.gov.

In addition, attached is a complete list, including a brief summary and last action, of the 35 bills the Commission tracked for the 2001/2002 Session and a list of the 15 bills that died last year.

The Legislature will convene the 2002/2003 Legislative Session, for one day, December 2, 2002 to organize their respective houses (see below exert). Legislators will return to officially begin the session January 6, 2003.

CALIFORNIA CONSTITUTION ARTICLE 4 LEGISLATIVE SEC. 3. (a) The Legislature shall convene in regular session at noon on the first Monday in December of each even-numbered year and each house shall immediately organize. Each session of the Legislature shall adjourn sine die by operation of the Constitution at midnight on November 30 of the following even-numbered year. (b) On extraordinary occasions the Governor by proclamation may cause the Legislature to assemble in special session. When so assembled it has power to legislate only on subjects specified in the proclamation but may provide for expenses and other matters incidental to the session.

2001/2002 DPC Tracked Bills

AB 52 (2001-2002), Wiggins and Matthews: (Version (amended sen) 2002-08-30)

Topic: Agricultural land preservation: appropriation.

Last Action: Senate amendments concurred in. To enrollment. (2002-08-31)

Digest Summary: (1) Existing law provides for the protection of public grazing lands.

This bill would establish the California Environmental Quality Improvement Revolving Loan Program within the Department of Conservation to provide loans to farmers to carry out practices approved for cost-share payments under the federal Environmental Quality Incentive Program.

AB 107 (2001-2002), Nation: SEN JUDICIARY (Version (amended sen) 2002-05-28)

Topic: Vessels: wrecks and wrecked property; ballast water.

Last Action: In committee: Set, first hearing. Hearing canceled at the request of author. (2002-06-11)

Digest Summary: (1) Existing law provides that if any person claims a wrecked vessel within 90 days after it is found, the judge is required to make an order directing the officer in whose possession the property or its proceeds may be, to deliver it to the claimant, as specified.

This bill would reduce that period to 45 days.

AB 680 (2001-2002), Steinberg: SEN LOCAL GOVERNMENT (Version 2002-08-21)

Topic: Land use: sales and use tax and property tax revenue allocation.

Last Action: From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on L.GOV. (2002-08-21)

Digest Summary: The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes a county to impose a local sales and use tax at a rate of 1.25%, and similarly authorizes a city, located within a county imposing such a tax rate, to impose a local sales and use tax rate of 1% that is credited against the county rate.

This bill would, pursuant to specified definitions and procedures, require the board to distribute sales and use tax revenue, derived from the application of a 1% tax rate by a qualified or electing county or city in the greater Sacramento region, among those same counties and cities on the basis of (1) the amount of sales and use tax revenue that those counties and cities received in the 2003 calendar year, as annually adjusted for inflation, as provided, and (2) the relative populations of those counties and cities, as determined by the board and the population research unit of the Department of Finance.

AB 713 (2001-2002), Thomson: SEN NATURAL RESOURCES AND WILDLIFE (Version (amended sen) 2002-08-08)

Topic: Agricultural and open-space lands: Sacramento Valley Agriculture and Open Space Conservation Authority.

Last Action: From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on N.R. & W. (2002-08-08)

Digest Summary: The California Farmland Conservancy Program Act establishes a program for grants from the Department of Conservation to local governments and nonprofit organizations, subject to prescribed requirements and in accordance with prescribed procedures, for the acquisition of agricultural conservation easements, as defined, and for incidental costs, as specified.

This bill would establish the Sacramento Valley Agriculture and Open Space Conservation Authority as an entity of regional government in the Sacramento metropolitan region, as defined.

AB 924 (2001-2002), Wayne: SEN LOCAL GOVERNMENT (Version (2001-07-11)

Topic: Land use: Cooperative general plans.

Last Action: In committee: Set, second hearing. Hearing canceled at the request of author. (2001-07-16)

Digest Summary: The Planning and Zoning Law requires the Office of Planning and Research within the Governor's office to serve as the state's comprehensive planning agency in the formulation, evaluation, and updating of, among other things, long range goals and policies for land use, population growth and distribution, urban expansion, development, open space, resource preservation and utilization, air and water quality, and other factors that shape statewide development patterns and significantly influence the quality of the state environment .

This bill would declare the intent of the Legislature to facilitate cooperative planning through incentives and rational growth principles, as specified .

AB 1398 (2001-2002), Florez: SEN PUBLIC SAFETY (Version (amended sen) 2002-06-24)

Topic: Vehicles: fines.

Last Action: In committee: Set, first hearing. Hearing canceled at the request of author. (2002-08-06)

Digest Summary: This bill would require a person convicted either of reckless driving, driving under the influence, or driving under the influence causing injury to pay an additional assessment of \$500 if the county where the violation takes place has established an Emergency Medical Services Fund.

AB 1882 (2001-2002), Canciamilla: SEN ENVIRONMENTAL QUALITY (Version (amended asm) 2002-04-25)

Topic: Environmental quality: in-fill development: County of Contra Costa.

Last Action: In committee: Set, first hearing. Hearing canceled at the request of author. (2002-06-19)

Digest Summary: (1) The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would codify the provisions of those regulations, and would expand the exemption to include any in-fill development project in an unincorporated area, if, among other criteria, the project is an affordable single-family development, an affordable multiunit housing development, a mixed-use housing development that meets specified criteria, or a park, and if the project is located within the County of Contra Costa, and the environmental impact report on the applicable general plans was certified within 5 years of the completion of the project application.

AB 1997 (2001-2002), Thomson: (Version (enrolled) 2002-08-22)

Topic: Land conservation.

Last Action: Enrolled and to the Governor at 3:30 p.m. (2002-08-30)

Digest Summary: The existing Subdivision Map Act requires the legislative body of a city or county to deny, except under specified circumstances, approval of a tentative map, or a parcel map for which a tentative map was not required, if it finds that the land is subject to a contract entered into pursuant to the California Land Conservation Act of 1965 and that either the resulting parcels following a subdivision of that land would be too small to sustain their agricultural use or the subdivision will result in residential development not incidental to the commercial agricultural use of the land.

This bill would also apply these provisions to land that is subject to an open-space easement, agricultural conservation easement, or conservation easement, but would make these provisions inapplicable during the 3-year period preceding the termination of contracts entered into pursuant to the California Land Conservation Act of 1965.

AB 2290 (2001-2002), Kehoe: ASM (Version (amended asm) 2002-05-23)

Topic: California Environmental Quality Act.

Last Action: (Corrected May 31.) (2002-06-04)

Digest Summary: (1) The existing California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, or to adopt a negative declaration if it finds that the project will not have that effect. This bill would *add a statement of legislative intent regarding the protection of wetlands to CEQA. The bill would* specify that, for the purposes of CEQA, any project that may have *a substantial* adverse impact on a wetland or special aquatic site, as defined, is a project that may have a significant effect on the environment.

AB 2322 (2001-2002), Hertzberg: SEN (Version (amended sen) 2002-06-13)

Topic: CALFED Bay-Delta Program.

Last Action: To inactive file on motion of Senator Costa. (2002-08-30)

Digest Summary: Existing law requires the Department of Water Resources, with specified exceptions, to prepare, and submit to the Legislature, commencing on January 1, 2003, and annually thereafter, *a* report that includes a description of the progress achieved by the department regarding the goals of the CALFED Bay-Delta Program, and the implementation schedule set forth in the CALFED Bay-Delta Program, Programmatic Record of Decision dated August 2000, and the Framework Agreement dated June 9, 2000. This bill would require the Director of the CALFED Bay-Delta Program, on or before *May* 1, 2003, to prepare and submit to the Legislature a report that describes the progress made in implementing the actions described in the CALFED Bay-Delta Programmatic Record of Decision, dated August 2000.

AB 2341 (2001-2002), Thomson: ASM APPROPRIATIONS (Version 2002-02-21)

Topic: Conservation.

Last Action: In committee: Set, second hearing. Held under submission. (2002-05-22)

Digest Summary: The California Farmland Conservancy program provides for grants from the Department of Conservation to local governments and nonprofit organizations, subject to prescribed requirements and in accordance with prescribed procedures, for the acquisition of agricultural conservation easements, as defined.

This bill would appropriate \$55,700,000 from the General Fund to the Controller.

AB 2362 (2001-2002), Canciamilla: (Version (chaptered) 2002-08-27)

Topic: Vessels: sanitation devices.

Last Action: Chaptered by Secretary of State - Chapter 293, Statutes of 2002. (2002-08-27)

Digest Summary: Existing law requires every peace officer of the state and of any city, county, or other public agency, all state and local public health officers, and all boating law enforcement officers to enforce certain provisions relating to vessel sanitation and any regulations adopted pursuant to those provisions. This bill would authorize a state or local peace officer who reasonably suspects that a vessel is discharging sewage in an area where the discharge is prohibited to board the vessel for the purpose of inspecting the marine sanitation device for proper operation and placing dye tablets into the holding tank.

AB 2401 (2001-2002), Thomson: (Version (enrolled) 2002-08-25)

Topic: Public resources: state park land acquisition.

Last Action: Senate amendments concurred in. To enrollment. (Ayes 49. Noes 26.) (2002-08-25)

Digest Summary: Existing law requires the Department of Parks and Recreation to hold a public hearing within the county in which a proposed state park project is located, prior to submitting any proposal for an appropriation for an acquisition of real property for the project, if the real property is more than \$500,000 in value.

This bill would increase the threshold amount specified above to \$5,000,000.

AB 2445 (2001-2002), Canciamilla: ASM (Version (introduced) 2002-02-21)

Topic: San Francisco Bay/Sacramento-San Joaquin Delta.

Last Action: From printer. May be heard in committee March 24. (2002-02-22)

Digest Summary: Under existing law, the State Water Resources Control Board and the California regional water quality control board prescribe water quality standards for water bodies in the state, including the San Francisco Bay/Sacramento-San Joaquin Delta.

This bill would declare that it is the intent of the Legislature to enact subsequent legislation to require the state board to prepare, and submit to the Legislature, a report with regard to the water quality standards for the delta.

AB 2605 (2001-2002), Aanestad: ASM APPROPRIATIONS (Version (introduced) 2002-02-21)

Topic: Endangered species: designation: economic or social impacts.

Last Action: In committee: Set, second hearing. Held under submission. (2002-05-22)

Digest Summary: (1) Existing law requires the Department of Fish and Game to recommend, and the Fish and Game Commission to adopt, criteria for determining if a species is endangered or threatened.

This bill would require the recommended and adopted criteria to include guidelines for determining the weight to be accorded any social or economic impacts that may result from adding a species to, or deleting a species from, either the list of endangered species or the list of threatened species.

AB 2806 (2001-2002), Wayne: ASM APPROPRIATIONS (Version 2002-04-11)

Topic: Watershed management: strategic plan.

Last Action: In committee: Set, second hearing. Held under submission. (2002-05-22)

Digest Summary: Under existing law, various state agencies are responsible for administering programs that provide technical assistance and financial support for various aspects of watershed management and restoration, including water quality protection, fishery restoration, water management, flood management, open-space planning, and forestland management.

This bill would require the Resources Agency and Cal-EPA to develop *on or before* January 1, 2004, a strategic plan, as specified, to guide state agency watershed management partnerships in California.

AB 2843 (2001-2002), Thomson: ASM (Version (amended asm) 2002-05-23)

Topic: Local agency formation.

Last Action: Read third time, passage refused. (Ayes 27. Noes 35. Page 6649.) (2002-05-30)

Digest Summary: (1) The existing Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 prescribes procedures for the approval of proposals for organization or reorganization of local agencies.

This bill would *state the intent of the Legislature that each commission consider changes of organization and reorganization that include an annexation, only upon a finding based on substantial evidence that the receiving entity has exhausted all means and opportunity to develop land within its existing boundaries.*

AB 2860 (2001-2002), Aanestad: ASM WATER, PARKS AND WILDLIFE (Version (amended asm) 2002-04-15)

Topic: Wildlife.

Last Action: Joint Rule 61(b)(5) suspended. (W.,P. & W.) (2002-05-02)

Digest Summary: Under the Wildlife Conservation Law of 1947, the Wildlife Conservation Board may authorize the Department of Fish and Game to acquire real property for the benefit of wildlife.

This bill would *require the board to establish an administrative process that allows property owners and local jurisdictions to seek redress for any (a) failure of the board, the department, or any nonprofit entity to maintain real property in accordance with any agreement entered into by those entities under existing law; (b) impacts to any lands adjoining property acquired under existing law caused by that failure; and (c) failure of the board or the department to make subvention payments to local jurisdictions as required under existing law .*

AB 2877 (2001-2002), Wayne: ASM WATER, PARKS AND WILDLIFE (Version 2002-04-30)

Topic: State Water Resources Control Board: groundwater report.

Last Action: Re-referred to Com. on W, P. & W. (2002-05-06)

Digest Summary: Existing law declares that groundwater is a valuable natural resource in the state and should be managed to ensure its safe production and its quality.

This bill would require, on or before December 31, 2004, the board and the Department of Water Resources, jointly, and in consultation with local agencies and other interested parties, to conduct a study and to make recommendations to various committees of the Legislature, regarding groundwater management policy and *potential* legislation .

AB 2971 (2001-2002), Strom: (Version (enrolled) 2002-08-19)

Topic: Wastewater treatment plants: definition.

Last Action: Enrolled and to the Governor at 10 a.m. (2002-08-26)

Digest Summary: (1) Under the Porter-Cologne Water Quality Control Act, the State Water Resources Control Board is required to classify types of wastewater treatment plants, as defined, for purposes of determining the levels of competence necessary to operate the plants.

This bill would revise the definition of wastewater treatment plants for these purposes by including within that definition private and governmental facilities used in the treatment or reclamation of sewage or industrial waste, rather than sewage and industrial waste, and any privately owned facility, without requiring that it is regulated by the Public Utilities Commission, used primarily in the treatment or reclamation of sewage for which the state board or a regional water quality control board has issued waste discharge requirements.

ACA 8 (2001-2002), Keeley and Wayne: ASM (Version (amended sen) 2001-09-14)

Topic: California Water and Land Protection Trust Fund.

Last Action: To inactive file on motion of Assembly Member Keeley. (2002-01-14)

Digest Summary: Existing law contains various provisions relating to the protection of natural resources.

SB 196 (2001-2002), Burton and Chesbro: ASM APPROPRIATIONS (Version (amended asm) 2001-09-06)

Topic: Parks coastal protection, land conservation, air pollution, and historic preservation: bond act.

Last Action: Joint Rule 61(a) (10) & (11) suspended. (2001-09-14)

Digest Summary: Parks coastal protection, land conservation, air pollution, and historic preservation: bond act.

This bill would enact the California Resources Legacy Bond Act of 2002, which, if adopted, would authorize, for the purpose of financing a program for the acquisition, development, restoration, protection, rehabilitation, stabilization, reconstruction, preservation, and interpretation of park, coastal protection, agricultural land preservation, air pollution prevention, and historical resources, as specified, the issuance, pursuant to the State General Obligation Bond Law, of bonds in the amount of \$2,998,000,000.

SB 550 (2001-2002), Costa: (Version (chaptered) 2002-04-26)

Topic: Endangered species.

Last Action: Chaptered by Secretary of State. Chapter 32, Statutes of 2002. (2002-04-26)

Digest Summary: Under existing law, until December 31, 2002, the accidental take of candidate, threatened, or endangered species resulting from inadvertent or ordinary negligent acts on a farm or ranch in the course of otherwise lawful routine and ongoing agricultural activities is not prohibited by the California Endangered Species Act.

This bill would delete the requirement that the acts be inadvertent or ordinary negligent acts in order for the exception to apply.

SB 1616 (2001-2002), Machado: SEN JUDICIARY (Version 2002-02-21)

Topic: Eminent domain: agricultural, open space, and conservation lands.

Last Action: Set, first hearing. Hearing canceled at the request of author. (2002-04-29)

Digest Summary: The Eminent Domain Law provides that the power of eminent domain may be exercised only to acquire property for a public use, and that this power may only be exercised by a person so authorized by statute.

This bill would prohibit taking by eminent domain property that is dedicated or restricted to agricultural, open space, or conservation, as defined, unless the public entity makes a specified finding, supported by substantial evidence in the record.

SB 1653 (2001-2002), Costa: (Version (enrolled) 2002-08-29)

Topic: California Bay-Delta Act.

Last Action: Enrolled. To Governor at 1 p.m. (2002-09-05)

Digest Summary: Under existing law, certain state and federal agencies with management and regulatory responsibilities in the San Francisco Bay/Sacramento-San Joaquin Delta Estuary participate in the CALFED Bay-Delta Program for the purposes of improving ecosystem quality, water supply reliability, water quality, and the integrity of the levees and channels in the bay-delta.

This bill would enact the California Bay-Delta Authority Act.

SB 1710 (2001-2002), Costa: SEN AGRICULTURE AND WATER RESOURCES (Version (amended sen) 2002-06-05)

Topic: Safe, Clean, and Reliable Water Supply Bond Act of 2002.

Last Action: From committee with author's amendments. Read second time. Amended. Re-referred to committee. (2002-06-05)

Digest Summary: Under existing law, various bond acts have been approved by the voters to provide funds for water projects, facilities, and programs.

This bill would enact the Safe, Clean, and Reliable Water Supply Bond Act of 2002 which, if adopted, would authorize, for purposes of financing a *water quality and water supply infrastructure improvement* program, the issuance, pursuant to the State General Obligation Bond Law, of bonds in the amount of \$2,962,000,000 .

SB 1854 (2001-2002), Machado: ASM APPROPRIATIONS (Version 2002-08-01)

Topic: Sacramento-San Joaquin Delta Conservancy Program.

Last Action: Set, second hearing. Held in committee and under submission. (2002-08-22)

Digest Summary: Existing law authorizes the State Coastal Conservancy to acquire, manage, direct the management of, and conserve specified coastal lands and wetlands in the state.

This bill would establish the Sacramento-San Joaquin Delta Conservancy Program, to be administered by the conservancy, for the purpose of restoring, enhancing, and protecting the unique agricultural, economic, natural, cultural, recreational, public access, and urban waterfront resources and opportunities of the Sacramento-San Joaquin Delta, as defined, in a coordinated, comprehensive, and effective manner, as prescribed.

SB 1864 (2001-2002), Costa: (Version (enrolled) 2002-08-28)

Topic: Agricultural land conservation.

Last Action: Enrolled. To Governor at 2 p.m. (2002-08-31)

Digest Summary: (1) The Williamson Act, until January 1, 2003, to facilitate a lot line adjustment, authorizes parties to mutually agree to rescind the contract or contracts and simultaneously enter into a new contract or contracts covering the adjustment if the board or council makes specified findings.

This bill would extend the termination date of those provisions to January 1, 2004.

SB 1947 (2001-2002), Alpert: SEN (Version (introduced) 2002-02-22)

Topic: Wildlife Conservation Board.

Last Action: To Com. on RLS. (2002-03-12)

Digest Summary: The existing Wildlife Conservation Law of 1947 establishes the Wildlife Conservation Board in the Department of Fish and Game.

This bill would express the intent of the Legislature to enact a statute that would expand the purposes of the board and change the membership of the board, as specified.

SB 2054 (2001-2002), Sher: SEN LOCAL GOVERNMENT (Version 2002-04-29)

Topic: Land use: development fees.

Last Action: From committee with author's amendments. Read second time. Amended. Re-referred to committee. (2002-04-29)

Digest Summary: This bill would provide instead that the identification of the public facilities may be made in an applicable general or specific plan.

SB 2056 (2001-2002), O'Connell: SEN (Version (introduced) 2002-02-22)

Topic: Environmental quality.

Last Action: To Com. on RLS. (2002-03-12)

Digest Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would make technical, nonsubstantive changes to that definition.

SB 2068 (2001-2002), Johannessen: SEN (Version (introduced) 2002-02-22)

Topic: CALFED Bay-Delta Program: reporting.

Last Action: To Com. on RLS. (2002-03-12)

Digest Summary: Existing law requires the Secretary of the Resources Agency to submit to the Legislature a report containing specified topics and items regarding the CALFED Bay-Delta Program, by no later than December 15 of each year.

The bill would make clarifying, nonsubstantive changes to this provision.

SB 2089 (2001-2002), Committee on Natural Resources: ASM WATER, PARKS AND WILDLIFE (Version (introduced) 2002-03-04)
